

The inaugural LaBranche Family Foundation (LFFINC) Scholarship was established by the LFFINC Board of Directors. LFFINC was founded in 2001, when the LaBranche Family was touched by an article in our neighborhood newspaper that shed light on two (2) families. Each family had a unique story; however, they shared one common thread. They felt invisible and were desperately in need of necessities during the Christmas season. As a result, we joined our community, adopted a family and so our story began.

The LFFINC became a 501(c)(3) charitable organization and hosted its first fundraiser in 2017. Due to the overwhelming generosity and support during its inaugural year, the LFFINC would like to offer a \$1,000 scholarship to a Bolingbrook High School student admitted to a bachelor's or associate's degree granting program at an accredited college or university.
