

The LaBranche Family Foundation Inc. (LFFINC) was founded in 2001, when the LaBranche Family was touched by an article in our neighborhood newspaper that shed light on two (2) families. Each family had a unique story; however, they shared one common thread. They felt invisible and were desperately in need of necessities during the Christmas season. As a result, we joined our community, adopted a family and so our story began.

Today, founded as a non-profit organization, the LFFINC continues to offer support to families impacted by financial challenges within Will County and our border communities. Guided by four pillar programs, we grant provisional wishes, donate the gift of new pajamas, provide annual scholarships/grants and present free healthy living sessions THROUGHOUT the year!

The LFFINC Education Committee is excited to announce that **our 2022 LFFINC Scholarship will be extended to both Will and DuPage County applicants.**
